# INDEX

- 5 *2tec2 play*
- 6 *Triangle*
- 10 *Diamond*
- 14 *Plank*
- 18 *Hexagon*
- 22 *Mini square*
- 26 *Your design*
- 28 *Sizes*

2TEC2 allows you to play with various shapes of tiles to create inspiring floors in woven vinyl.

Diamonds, hexagons and planks are among some of our suggestions, but actually any shape and size is possible.

Choose any colour from the 2TEC2 tile collection. Let your imagination flow

# TRIANGLE

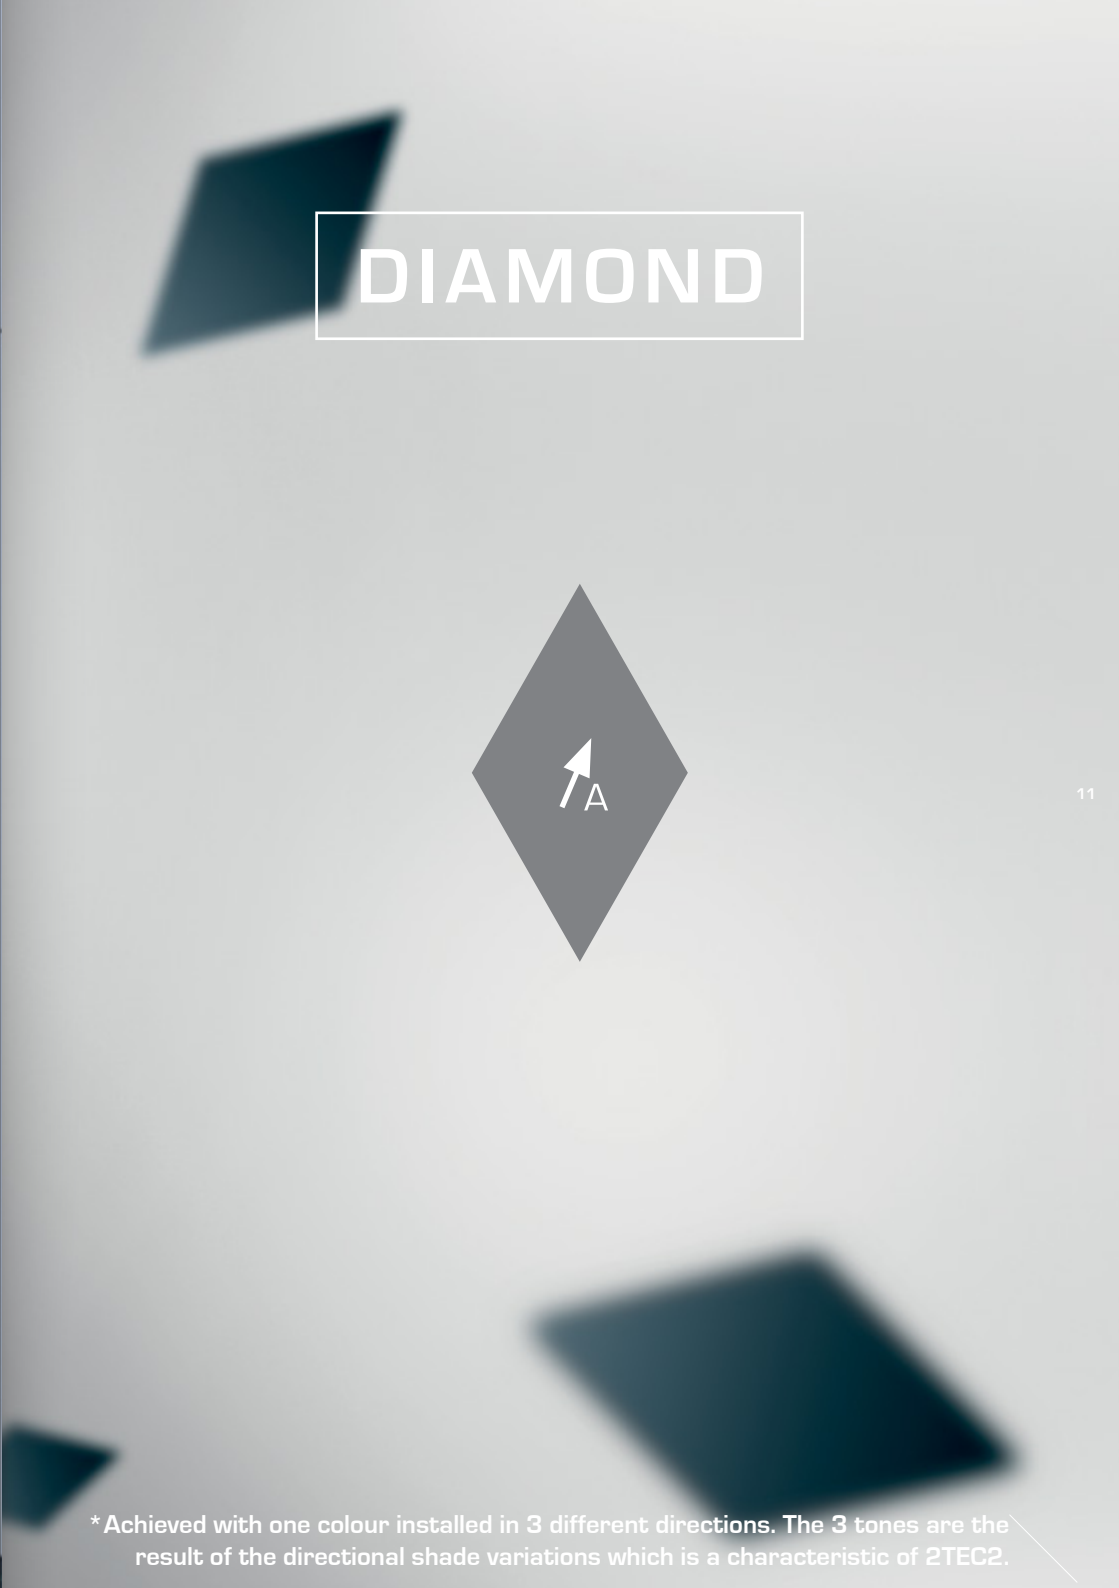

Installation: ↑ + ↑ = Same tone

↑ + ↓ = Different tone

DIAMOND

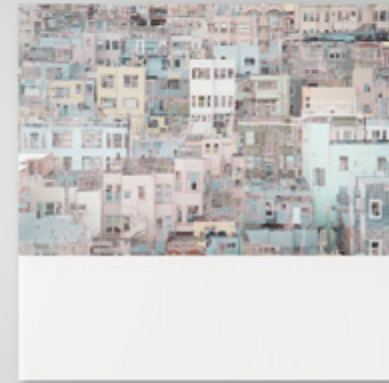

\* Achieved with one colour installed in 3 different directions. The 3 tones are the result of the directional shade variations which is a characteristic of 2TEC2.

# PLANK

\*Herringbone pattern is achieved with A & B planks

Flint Planks - Office \*
