

DEKO LUCIE

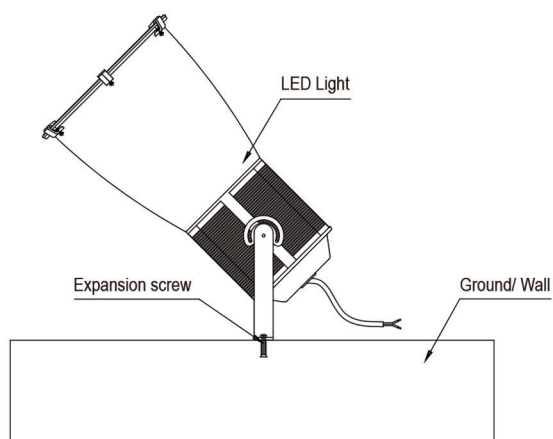

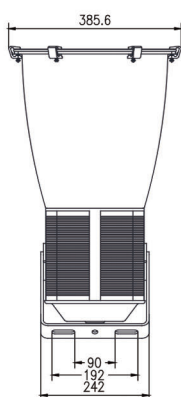

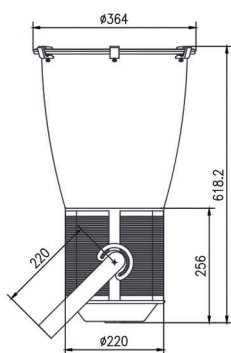

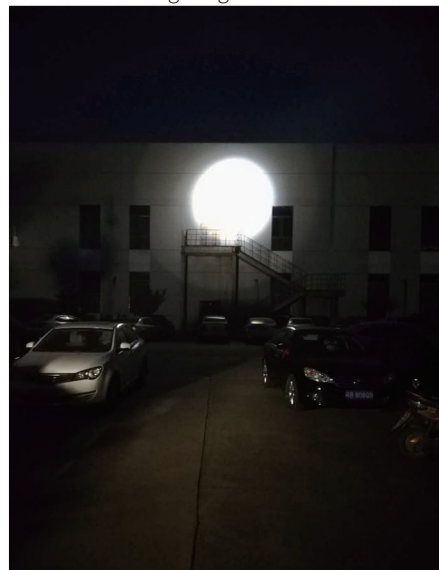

CAUSEWAY

Application

Searchlight/ accent lighting/ bridge lighting/ outdoor lighting/ architecture lighting/ stadium/ lighting show/flag national flag and emblem accent lighting.

4.1°

Unit: mm

Material

360 degree heatsink, Fin stereoscopic air duct heat dissipation technology, surface spraying process.

Optical glass lens, fire-proof, waterproof, dust-ignition-proof, purpose made Fresnel lens, anti-aging, stainless steel screw fixed.

Internal driver

Performance parameters

Color temperature: Warm white 3000K, Cool white 5000K

Control: Switch

Input voltage: 95-360V

Led trip: Citizen 048-1818C4

Power: 200W

Driver: Meanwell

Beam angle: 4°

IP: IP66

Working temperature: -40~50°C

Warranty: 2years/ 20000 hours lifespan, maintaining freely forever except LED chip and driver.
